UNDERGROUND CATHODICALLY PROTECTED TANK – SOLD IN THE USA

30-YEAR LIMITED WARRANTY CERTIFICATE

Each Granby cathodically protected steel storage tank designed for underground storage purposes, manufactured by Granby Industries L.p. and bearing the label UL-58 nameplate showing manufacturer’s serial number, is warranted by the warrantor against:

- a) Non-corrosion failure due to defective materials and workmanship, for a period of one (1) year after date of delivery of the tank to the purchaser;
b) Failure due to exterior corrosion caused by reaction of the tank with its soil environment, for a period of thirty (30) years from date of delivery of the tank to the purchaser. Each such limited warranty is subject to the following conditions:

- 1. The tank must be installed in accordance with the warrantor’s installation instructions for cathodically protected underground storage tank, in accordance with applicable requirements of NFPA 30, Flammable and Combustible Liquids Code and in compliance with any applicable local codes or regulations under authorities having jurisdiction.
2. Electrical conductivity of soil environment at the installation site must be reasonably consistent in Ph, with a resistance of 2000 ohms.cm up to 15,000 hms.cm, and must be free of stray current.
3. Non-conductive bushings furnished with the tank must be used for all connections of the piping system with the tank. The tank must not be grounded to other metallic structures.
4. In the event of tank failure due to exterior corrosion, the purchaser must promptly inform Granby Industries L.p. so as to permit a representative of Granby Industries L.p. to inspect the tank site prior to and during excavation, and the tank after it is excavated. The purchaser shall confirm to Granby Industries L.p. such notice in writing.
5. The obligation of Granby Industries L.p. under this warranty is limited to supply F.O.B. plant a replacement of approximately the same size, design quality of material and workmanship as the original tank, and the purchaser shall pay for the replacement tank on a prorated basis according to the period of time that has elapsed since the delivery of the original tank, as follows;
6. Granby Industries L.p. shall not be liable for labour of other installation costs of any replacement tank furnished in accordance with the terms of this limited warranty. In any event, the warrantor shall not be liable for the contents of the tank.
7. The warrantor shall not be liable for failure of the piping system connected with any tank nor for any consequential damages to person or property resulting from, or attributed to, the failure of any tank of the connection piping system, regardless of cause of failure.
8. Such limited warranty will be valid and will be honoured by Granby Industries L.p. if the protection system testing instructions are followed and if the potential record is duly completed in accordance with Granby Industries L.p. Installation Manual for Protected underground storage tank. Any potential reading which indicates that cathodic protection is not adequate shall be immediately reported to Granby Industries L.p. and confirmed in writing.
9. Should any of the foregoing clauses of this limited warranty be held to be invalid under the applicable existing Laws of the place of purchase, such a clause will be considered merely void and severable and will in no way affect the validity of the remaining clauses of this limited warranty.
10. THE FOREGOING LIMITED WARRANTY IS THE ONLY WARRANTY MADE BY Granby Industries L.p.. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OTHER THAN THAT FOR WHICH THE TANK HAS BEEN DESIGNED AND ANY OTHER REPRESENTATIONS OF ANY KIND ARE HEREBY DISCLAIMED BY Granby Industries L.p. AND EXCLUDED FROM THE AGREEMENT OF SALE.
