

**GRANBY INDUSTRIES L.P.**

**30-YEAR LIMITED WARRANTY CERTIFICATE**

**Fibrestor™ FRP – Non-metallic Tank**

**FOR TANKS SOLD AND INSTALLED IN CANADA AFTER OCTOBER 1, 2014**

**SAVE THIS CERTIFICATE - IT GIVES YOU CERTAIN SPECIFIC LEGAL RIGHTS**

Fill in the installation date, model and serial number of the tank in the space provided below and retain this Limited Warranty for your files.

**LIMITED WARRANTY TERMS**

During the first thirty (30) years after initial installation, your Fibrestor™ FRP non-metallic tank is warranted against:

- Leaks due to defects in materials used in the tank
- Leaks due to faulty workmanship in the manufacture of the tank
- Leaks due to internal corrosion
- Cracks, chips, fading or peeling to the outside surface of the tank as a result of a defect in materials or workmanship

If any one of the four above events occur we will provide you with a replacement tank of similar size and configuration or, at our sole option, repair or refund to you an amount equal to the distributor’s purchase price from us, or provide to you a credit equal to that amount to be applied toward the purchase of any new tank that we manufacture. To obtain a replacement tank, the dealer or qualified service technician must return the defective tank to a Granby authorized distributor and exchange it for a replacement tank. All replacement tanks will be warranted for the remaining portion of the warranty period on the original tank.

If one of the four events occur and we provide you with a replacement tank, we will also pay for labor, material, freight and/or handling charges associated with the replacement up to a limit of \$1,000.00. Any claim on this basis must be accompanied by supporting documents and be approved by Granby Industries L.P.

This Limited Warranty applies to the original purchaser and subsequent transferees, but only while the tank remains at the site of the original installation and only if the tank is installed inside Canada.

**LIMITED WARRANTY RESTRICTIONS**

This Limited Warranty applies only if the tank is:

- Installed by an installer whose competency is recognized by local authorities having jurisdiction.
- Installed in accordance with instructions enclosed with your tank (also available at [www.granbyindustries.com](http://www.granbyindustries.com)) and in compliance with all applicable installation and building codes and best trade practices such as those described in the Canadian Oilheat Association (COHA) Today’s Oilheat Technician’s Manual.
- Used only for the storage of domestic heating fuel or diesel for home heating and no other substances are introduced into the tank.
- Operated and maintained in accordance with instructions enclosed with your tank (also available at [www.granbyindustries.com](http://www.granbyindustries.com)) and in compliance with best trade practices such as those described in the Canadian Oilheat Association (COHA) Today’s Oilheat Technician’s Manual.

In establishing the installation date for any purpose, including determination of the starting date for the term of this Limited Warranty, proof of the original installation date must be presented (you must retain the original records that can establish the installation date of your tank), otherwise, the installation will be deemed to have occurred 180 days after the date of tank manufacture.

This Limited Warranty does not create liability for Granby Industries L.P. for any incidental, consequential, or special damages or expenses in connection with any use of this tank. It also does not cover damages caused by: (a) accident, abuse, negligence, misuse, riot, fire, flood, or Acts of God (b) the operation the tank where corrosive elements have been introduced and allowed to reside inside the tank other than those found in a normal residential environment (c) an unauthorized alteration or repair of the tank affecting its stability or performance (d) improper matching or application of the tank or the tank’s components (e) failing to provide proper maintenance to the tank (f) erecting, disconnecting, or dismantling the tank (g) parts or supplies used in connection with service or maintenance (h) faulty and/or negligent installation, maintenance or application or (i) spills from overfills.

We make no other condition or warranty, express or implied, and specifically disclaim all statutory implied warranties or conditions, including merchantability and fitness for a purpose, to the greatest extent allowed by law in your province or territory.
